

Harajuku ZERO GATE to open on March 17, 2018

PARCO Co., Ltd. (“PARCO”) announced today the opening day details of Harajuku ZERO GATE.

Since 2011, PARCO has been pursuing development of ZERO GATE low- to medium-rise shopping complexes in Japan’s major cities. Harajuku ZERO GATE is the ninth in this series. Located along Meiji Dori in Harajuku / Jingumae, an area popular with both domestic and overseas visitors, Harajuku ZERO GATE will contribute to the city’s vibrancy and flow of foot traffic.
