

**Kawasaki ZERO GATE to open on August 8, 2019**

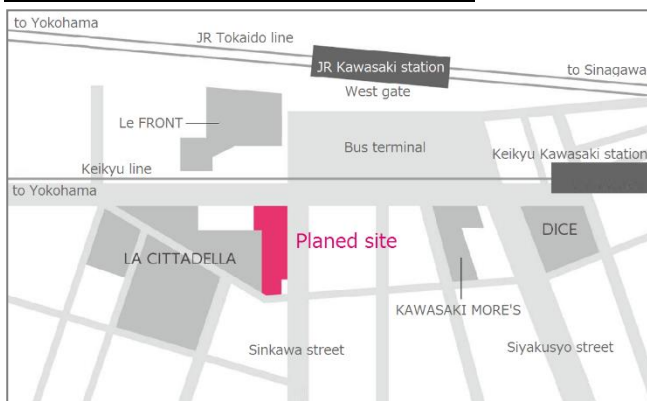

PARCO Co., Ltd. (“PARCO”) announced today that Kawasaki Zero Gate will open on Thursday, August 8, 2019. It will be the eleventh in PARCO’s series of low- to medium-rise ZERO GATE stores.

This will be the first ZERO GATE store located directly in front of a terminal station and will introduce a diverse tenant lineup under the concept of enhancing the city’s functionality and supporting the lifestyle needs of the city’s shoppers. Situated in a prime position along the thoroughfare connecting the train and bus hub of Kawasaki station with the city’s shopping streets, government buildings and office district, Kawasaki ZERO GATE aims to contribute to the sense of vibrancy and flow of foot traffic in the area.
