

Regarding the first round of openings at Kyoto ZERO GATE in November 2017

PARCO Co., Ltd. today announced the opening date for a portion of tenants at Kyoto ZERO GATE.

Facing the famous Shijo Street, Kyoto ZERO GATE aims to contribute to the appeal of the area as a whole with the support of local residents.

■ Kyoto ZERO GATE concept drawing

By using ceramic printing on large glass panels, the exterior design evokes the motif of traditional Japanese paper doors. The façade was designed to meet the dignified appearance of the Kyoto townscape.
